# The Future of Golf Membership

## Flexible golf to suit your lifestyle

We are proud to be the home of what we believe is the future of golf membership - *Points 2 Play*. A membership option that is designed to improve cost efficiency to suit today's time driven society.

*Do you play as often as you want to?*

The average amount of rounds played by the 5 million golfers in Britain is 6 per year! For the vast majority an annual fee is not cost effective. e.g. Annual fee £960 to play 25 rounds, cost per round £38.40.

Alternative *Points 2 Play*. Join on our Option C for £455. Play 17 rounds, cost per round (weekend) £26.76 + points over for more golf!

*Points 2 Play* membership gives all the benefits and flexibility that is expected as a member of a golf club including club events, levy card discount and advanced booking.

Points 2 Play Introductory membership starts at only £125. This is an initial option only and is designed for the infrequent golfer to 'try out' our membership. When your points run low simply 'top-up' with our five available options – It's easy!

### IMPORTANT INFORMATION

1. Please ensure you report to the Pro-Shop and have your points deducted **before you play on the Golf Course.**
2. P 2 P members are eligible to sit on Club Committees, but are not eligible to represent the Club in away matches.

If you are a more frequent golfer, just choose from the other 3 options, which suit the amount of times you play. There are no tricks or hidden costs involved no need for interviews or proposers, sign up today and enjoy the delights of modern golf.
