chrisd_b@hotmail.com

I am a father of 2 boys and 3 grandchildren. With a partner who also plays golf at the Meridian.

I work as an engineer currently for a global biomedical equipment supplier. A far cry from engine test development and testing platforms.

I enjoy golf to unwind and relax and don't take it too seriously. I used to play and coach American Football before moving to Cambridgeshire.

I believe the club should have a friendly, inclusive atmosphere where people can enjoy their golf.
